WELCOME TO A CITY OF *Possibilities*

Executive Summary

DARDENNE PRAIRIE COMPREHENSIVE PLAN - 2013

A comprehensive plan serves as a guide for making the community a better place in which to live and work over a 15- to 20-year timeframe. It communicates to residents, developers, and others what land use pattern is desired by the community in particular areas of the City.

Working together, elected officials, City staff, residents, business owners and all community stakeholders can ensure that Dardenne Prairie continues to be a "City of Possibilities."

The original "Comprehensive Plan of the City of Dardenne Prairie" was adopted in 2002. The City has undergone significant changes since this date as a result of annexations, residential and commercial development, environmental legislation, regional planning projects, adoption of the Dardenne Prairie Uptown Zoning District and the implementation of the limited access Missouri State Highway 364 project.

Because planning is a vital role in maintaining and improving the quality of life for all Dardenne Prairie residents, the City's Planning and Zoning Commission has undertaken the process of reviewing and revising its comprehensive plan and the creating a 2013 Update to the City of Dardenne Prairie Comprehensive Plan. The process to update the City's comprehensive plan was designed to be inclusive. All planning meetings of the Planning and Zoning Commission were public meetings, which offered stakeholders the opportunity to share their thoughts and visions for the City.

How to Use this Plan

The intention of this comprehensive plan is to guide the City's future development and redevelopment. This comprehensive plan is a living document, and as such, should have periodic review to ensure that the City's vision is aligned with the changing conditions and our evolving community desires.

This comprehensive plan does not complete the City's planning of the development of our community, but continues the planning process. Working together, elected officials, City staff, residents, business owners and all community stakeholders can ensure that Dardenne Prairie continues to be a "City of Possibilities."

The full version of this Comprehensive Plan is available on the City's website: http://dardenneprairie.org/documents-directory/
